Commitment to Truth and Reconciliation

In recognition of National Indigenous Peoples Day,
and in alignment with the CBE Education Plan,

Dr. E. W. Coffin School

acknowledges and supports the Truth and Reconciliation Commission of Canada's (TRC) Calls to Action, and makes the following commitment to action for the 2025-2026 school year: As a part of our school's commitment to the Truth and Reconciliation Calls to Action, we have been working closely with Elder Saa'kokoto this past year, and plan to continue this work on our own, from the lessons we have learned while speaking with our students, sharing stories about the land, and leading us into a full re-design of our learning commons through an indigenous lens. During the repainting of our school, we chose a sign that will be an interactive CBE Indigenous Education Holistic Lifelong Framework sign that will become a teaching space to reflect on the four domains that are central to our teaching and learning practices.

In making our commitment, Call to Action #63 offered inspiration.

Reconciliation 10. Part iii. Offered inspiration.
